

## House Work

Seems easy to a man, but there is a great deal of lifting and reaching to do; a great many trips up and down stairs to make in the course of day's house work. It's hard where a woman is well. For a woman suffering with some form of "female trouble" it is daily torment. There are thousands of such women struggling along, day by day, in increasing misery. The back aches, the head aches, the nerves are unstrung. But the work must go on, dusting, sweeping, scrubbing must be done regardless of pain. And yet we wonder why a woman is tired and irritable, when she has nothing to do but take care of the house.

Every day swells the long list of the thousands of women who have found a complete cure of their disease in the use of Dr. Pierce's Favorite Prescription. It regulates the periods, dries enfeebling drains, heals inflammation and ulceration, and cures female weakness. It quiets the nerves by feeding them. It gives vitality and vigor to the womanly organism. It makes weak women strong, sick women well.

There is no alcohol in "Favorite Prescription," and it contains no opium, cocaine, or other narcotic.

Accept no substitute for "Favorite Prescription." If you want to experience the cure which other women have found in "Favorite Prescription," do not be deceived into accepting some so-called "just as good" remedy.

"Improving Every Day."

"For a number of months I suffered with female trouble," writes Miss Agnes McGowan, of 1212 Bank Street, Washington, D. C. "I tried various remedies, but none seemed to me any permanent good. The doctors said it was the worst case of internal trouble they ever had. I decided to write to you for help. I received a very encouraging reply, and commenced treatment at once. I had not used your 'Favorite Prescription' a week before I began to feel better, and as I continued, my health gradually improved. It is improving every day."

**Cure constipation and its countless consequences, by the use of Dr. Pierce's Polls. A small pill, a small dose, and a sure cure.**

## INSURGENTS IN A ROUT

Schwan Makes a Successful Move on Malabon.

DRIVES NATILE FORCES SOUTH.

Returns After Inflicting Punishment Upon the Filipinos—No Intention of Holding Captured Towns—General Otis Warns Officers' Families Away From Manila.

WASHINGTON, Oct. 12.—A cablegram from General Otis to the war department confirms the press dispatches regarding General Schwan's move on San Francisco de Malabon. General Otis says: "Schwan was successful yesterday in driving the insurgents south with loss from San Francisco de Malabon. He reports their force disintegrated and retreating over different roads, which are impassable for artillery or wagons. No intention of occupying this country permanently or temporarily. Transportation will return by way of Rosario and column will move in the direction of Das Marinas, probably retreating on Inaus. Country of no strategic importance."

General Otis disapproves of officers' families joining them at Manila. Regarding this question he called the department as follows: "Population of Manila much congested. Provision for officers' families cannot be made. Those already arrived together with families of enlisted men have caused much perplexity. Would not permit my own family to come under existing circumstances. Nearly all officers and men here are absent from Manila on duty; families should await more peaceful conditions."

Eight Americans Wounded.

MANILA, Oct. 12.—During the early morning hours there was some firing near Angeles, with the result that eight Americans were slightly wounded. Artillery was used and the enemy responded. General MacArthur does not attach special significance to the incident. A small party of Americans was fired on by the Filipinos near Maraguanay, two of our men being wounded. General Schwan's column, having accomplished its purpose of punishing the rebels, is returning from San Francisco de Malabon, with artillery and the transportation service.

PRESIDENT ON THE GO.

Visits Blue and Gray Reunion and Makes Many Speeches in Indiana.

CHICAGO, Oct. 12.—The Pennsylvania special bearing the presidential party arrived in Chicago yesterday from Evansville and was at once delivered to the tracks of the Chicago, Milwaukee and St. Paul road. Today will be spent at Minneapolis and St. Paul and at midnight the departure will be made for Duluth.

The weather continued wet and gloomy throughout the day. The rain detracted in some degree from the enjoyment of the blue and gray reunion at Evansville, at which the president and cabinet participated. But nothing could entirely dampen the ardor of the throng that had gathered to greet the chief magistrate.

At every station between Evansville and Chicago there were crowds to greet the president and the president made several speeches.

Archbishop Chappelle's Mission.

NEW ORLEANS, Oct. 12.—Archbishop Chappelle, papal delegate to the Philippine islands, gave out his first interview regarding his important mission. "I have talked over my mission thoroughly with President McKinley," he said, "and we understand each other. My errand is one of pacification. I hope to accomplish what the army of the United States has failed to do—to bring peace to the islands. I will leave at the earliest possible opportunity. I feel that I will be successful in what I am going to try to accomplish."

Dewey at Montpelier.

MONTPELIER, Vt., Oct. 12.—Admiral Dewey arrived here from Shelburne yesterday and was greeted by an immense crowd which had assembled at the depot. The admiral was met by his two brothers, Edward and William. As he walked through the streets just at dusk in company with his brothers, he bowed right and left and waved his hands to his old friends as he recognized them. Rain was falling and it dampened the ardor of the people to a great extent.

Delay in South Dakota Rate Case.

SIOUX FALLS, Oct. 12.—A. B. Kittredge, attorney for the Milwaukee railroad company in the famous South Dakota railroad rate case, which is now before the United States supreme court, today advised that the case, which had been set for argument before the supreme court Oct. 16, had been postponed until Oct. 30.

Kansas Odd Fellows.

WICHITA, Kan., Oct. 12.—The Odd Fellows of Kansas held the annual session of the grand encampment in Garfield hall. Election of officers for 1900: Will J. Russell, Kansas City, Kan., grand patriarch; H. C. Stevens, Topeka, grand priest; Thomas Dryden, Spring Hill, senior warden.

Citizens Attack Bank Robbers.

HUTCHINSON, Kan., Oct. 12.—Five masked men blew open the safe in the State bank of Turin, in this county, last night. Citizens attacked the robbers while they were at work and the robbers fled, securing only \$200 in coin. The burglars left toward Stafford on a handcar.

David B. Hill Turned Down.

NEW YORK, Oct. 12.—The state Democratic meeting last night was controlled by Richard Croker and ex-Senator David B. Hill was turned down. A Bryan resolution was adopted, seconded by Croker and opposed by Hill.
